Facials \$60 each

*Traditional European – 60 minutes

Double-cleanse and exfoliation with steam and individualized mask; soothing European massage of the face, shoulders, neck, and décolleté. Complete with a moisturizing hand and arm massage along with a hydrating eye and lip treatment.

*Oxygen Facial – 60 minutes

Double-cleanse, customized exfoliation of face using steam, a light toner mist throughout facial, and an emollient creme-therapy mask. A massage of face, shoulders, neck, décolleté, arms and hands. Final step is an intensive, revitalizing oxygenation creme formulated with stabilized hydrogen peroxide and pure lavender oil. It's a breath of fresh air for sapped skin! Products contain no artificial colorants, no synthetic fragrance, while they do contain natural botanicals.

*Obagi Signature Facial – 60 minutes

Using all Obagi products, this luxurious facial begins with a double-cleanse, light exfoliation with steam. Receive a relaxing massage of the face, shoulders, neck, décolleté, as well as arms and hands. Hydration is applied, with special attention to the eye and lip areas.

*Hot Stone Facial – 60 minutes

Indulge with a relaxing facial while diminishing puffiness of the eyes and decreasing tension lines. A cleanse of the face is given before the massage begins. Afterwards, receive a mask with steam, then hydration as needed for face, neck, shoulders, décolleté, as well as eye and lip treatment. Warm stones used throughout this facial experience.

Add microdermabrasion to any of the above facials for an additional \$40

Just for Men \$50

*Men's Facial – 50 minutes

Gentlemen, enjoy a double-cleanse of the face, tone-treatment, microdermabrasion, and a light mask using steam. Last, but not least, a hazelnut oil is used to soften facial hair; light moisture for face, specifically around eye and lip area.

The Spa Room Hydrafacial

\$90, or a package of 5 treatments for \$360

A unique facial combining several treatments, offering great results. Includes deep cleanse, exfoliation, mild peel, extract + light microderm, fuse & protect.

Microdermabrasion

50 minutes.....\$60 or package of 5 treatments for \$240

The microdermabrasion treatment includes a mini-facial as well.

Professional Eye Lift Therapy \$30

This treatment begins with a warm towel wrap, as you take a moment to let your eyes relax. Eye area is gently cleansed; after cleanser is removed, microdermabrasion is given around target area of the eyes. This is followed with a 5 minute relaxing eye massage. After massage, a soothing collagen eye mask is applied, (steam also used). After removing the eye mask, Obagi Elastiderm eye cream and serum are applied to finish the treatment.

Professional Lip Therapy \$20

Lip area is gently cleansed. Microdermabrasion is given to lip area. Collagen-boosting mask is applied to lips, (steam used during this time). After removal of lip mask, a lip balm is applied for softer, luscious, plump lips! Very smoothing!

You may bundle the above eye and lip treatments for only \$40!
